Hallo/Âllo/Cześć/Привет

Our neighborhood should get a logo, because we are unique!

You can co-create by answering a few questions and putting the card in the letterbox of the district office at Norbert-Schmid-Platz by July 1st, 2022.

After their evaluation, 3 logo variants are developed and presented in the office and online, where you can then vote on them.

Typical for my neighborhood is this building/square/street/park/something else?
